PHONE: CELL NUMBER ONLY: _____
(Your Cell Number is the preferred number for our Directory so that you can be reached at the golf course) Always call your partner before playing in a two man partner tournament to make sure they're planning to play so you don't have to drive back home. Just because you see your partner's name on the tee sheet doesn't mean they are playing. Always have your cell phone powered up and ready to receive calls prior to tee time so your partner can find you/your cart. Then put your phone on Vibrate so you don't disturb players with the sound of your phone ringing on their backswing.
